

# FOR COUNTY CLERK

## To Breckinridge County Democrats:

I am a candidate for County Clerk. I declined to announce until I endeavored to ascertain the attitude of Breckinridge democracy to my candidacy. After careful investigation and mature deliberation, I am convinced that I will receive the necessary support to give me the nomination.

My record as a Democrat and citizen is known by all of you. That I was defeated before by unfortunate political differences, I feel that you will readily grant. I accepted defeat, after a hard and costly campaign, as I think a true Democrat should. I have forgiven those who did not support me, acknowledging whatever part of the fault was mine, if any, and sincerely appreciate the loyalty of my friends, and I now pledge myself to carry the banner of a united party to victory, if nominated.

Very truly,
